

All you need to know about Made In Africa Leadership Conference(MLC)

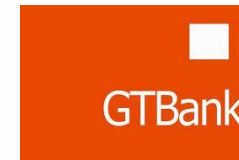

Program Features
Topics
Past Speakers
The next edition in 2022

MLC is the only Leadership Conference in Africa *created* by Africans to *support* African leaders to *solve* Africa's problems.

Why do multinationals, start-ups and Government Agencies participate in MLC?

With over a **thousand participants** from 2019 to date, The Made in Africa Leadership Conference has a **Net Promoter Score of 4.8 out of 5**.
Delivering Real Value, promoting the right connections and supporting organizations to grow.

MLC has gathered participants from **29 African countries** and other parts of the globe.

Features of MLC

1. Peer Learning Labs

Participants **learn** from Peers, Leadership Coaches, and **exchange ideas** in small interactive sessions facilitated by professional facilitators.

Features of MLC

2. Site Visits

Participants visit **host companies/Category Sponsors** to learn about their operations and share ideas to solve real problems in the company.

Features of MLC

3. Needs & Leads

Participants use the power of **instant networks to find ready-to-use solutions** to their company's needs and build the foundation for **future partnerships** and alliances for business growth.
